PATHE MOTION PICTURES

Every Saturday afternoon at 3 p. m. we will show one or more reels of Pathe motion pictures dealing with children's subjects, comedies and educational subjects. The children are cordially invited by the Big Store to enjoy this free feature. Shown in the Toy Department on the fifth floor.

THE AVIATION FIELD

A special feature in the tri-cities' big toy department is the miniature aviation field. A realistic reproduction of a United States aviation field as seen in many eastern cities. Complete with electric railway transportation system, electrical lighted, electrical propelled aeroplanes, aeroplane hangars, stations, searchlights, etc. A free feature that will interest the boys and girls.

WIRELESS TELEGRAPH

A complete wireless telegraph receiver and transmitter is in operation at the big store's toy department.

For boys interested in this work we have a supply of materials for constructing receivers and transmitters, put up in mahogany finished cabinets. They are of the famous Kilboure & Clark make, and work perfectly. We have also for sale the various instruments necessary for wireless work, which may be purchased separately by those who already have some equipment.

A visit to the wireless section will prove of interest to both young and old. We will be pleased to answer all questions and demonstrate the equipment.
